

Burger King Event/Donations Please

A special event is going on for the Bloomingdale Lions Club. There are over 200 select Burger King stores owned by Heartland Food Corporation that is working with our Lions of IL Foundation and Heartland locations in three surrounding states by making a donation of a \$1. to the Lions Foundation of IL. in the month of August 2010. You than receive a coupon for a \$1. off the next purchase of a value meal. Which means it didn't cost you anything (\$.00). This coupon can be used until December 1, 2010 when the event expires. Our club is working with the Burger King located at 415 S. Schmale Road in Carol Stream since there is no Lions Club in Carol Stream. Pass the word, more to follow.

The Vision of the Lions of Illinois Foundation is to create a permanent vehicle for the delivery of programs and services to the visually and hearing impaired.
