

REINSTATED LIONS SERVICE CREDIT PROGRAM

At its March 1996, Board Meeting, the International Board of Directors approved a Reinstated Lions Service Credit Program effective July 1, 1996. This new policy will allow Lions, who have had previous breaks in Lion membership, to claim their time served, "in good standing", and apply it to their current Lions membership record. This policy does not apply to former members who were dropped for "non-payment of dues".

To formally request reinstated Lions service credit, a Lion must complete the form, (found on the back), indicating all time segments served, "in good standing". This information will be matched against International Headquarters' records, and adjustments to the total years served will be made. Lions unable to provide specific service dates, should give their best estimates of service dates.

Each Lion, requesting reinstated service credit, is asked to complete a form and submit it for signatures, to their club president and club secretary. The club secretary then attaches the completed forms to a Monthly Membership Report, (MMR). Former Lions may rejoin a Lions club and then utilize this form to record prior segments on their renewed record. Former Lions, rejoining the organization, will be required to pay an Entrance Fee of US \$25.00.
